

# CREATE A PATH... BE A GAME CHANGER.

## What is a Game Changer?

Game Changers are groups, businesses, or individuals ready to act as catalysts for change by providing specific emergency financial assistance to meet the immediate needs of our clients. You'll make a tangible difference in the life of someone in poverty by removing a barrier keeping them from their bigger, brighter future.

## Why do we need Game Changers?

By becoming a Game Changer, you will be an integral part of ensuring our Out of Poverty Pathways support those we serve as effectively as possible. The Pathways are a multidimensional framework of five different areas we have identified in which our programs create impact. These areas include:

FINANCIAL RESILIENCY

EMPLOYMENT

EMOTIONAL RESILIENCY

EDUCATION

RESOURCE STABILITY

## Become a Game Changer By:

- Committing now to meet Game Changer requests with financial contributions between \$1,000 and \$2,000 in the coming year.
- Introducing Game Changers to at least three people to help spread awareness of this incredible program.
- Making a tangible difference in the lives of those we serve.
